ABOUT SWIFT SKILLS ACADEMY

Swift Skills Academy is a Cape Town-based training provider dedicated to building practical skills, improving workplace safety, and creating real opportunities for individuals and businesses. We deliver industry-relevant welding and fabrication training, occupational health and safety training, occupational skills programmes, and employer-focused skills development solutions that help people grow and businesses succeed.

WHAT WE DO

WELDING & FABRICATION TRAINING

Practical, hands-on welding and fabrication courses designed to build real workplace competence and confidence.

SAFETY & COMPLIANCE TRAINING

Occupational health and safety training that promotes compliance, reduces risk, and creates safer work environments.

OCCUPATIONAL SKILLS PROGRAMMES

Nationally recognised skills programmes that equip learners with the knowledge, practical ability and workplace readiness.

CORPORATE TRAINING & SKILLS DEVELOPMENT

Tailored training solutions that strengthen teams, improve productivity and support long-term business growth.

WHY CLIENTS CHOOSE US

PRACTICAL, HANDS-ON LEARNING

Real-world training that builds confidence and competence.

INDUSTRY-RELEVANT TRAINING

Courses aligned to industry needs and workplace demands.

EMPLOYER-FOCUSED SOLUTIONS

Training designed to improve performance and drive results.

LEARNER SUPPORT

Guidance, mentorship and support every step of the way.

OUR COMMITMENT

At Swift Skills Academy, we are committed to delivering **practical skills** that open doors, create **real opportunity**, and build **safer, stronger workplaces**. We believe in empowering individuals, supporting employers, and shaping a workforce that is ready for today and tomorrow.
Practical skills. Real opportunity. Stronger tomorrow.

create opportunities
and safer workplaces.

EMPLOYER COMPLIANCE & SKILLS DEVELOPMENT

SDF CONSULTING | WSP & ATR | B-BBEE | EMPLOYMENT EQUITY

TURN COMPLIANCE INTO WORKFORCE VALUE

Practical employer support for SETA compliance, workplace skills planning, transformation evidence and sustainable workforce development across South Africa.

SKILLS DEVELOPMENT FACILITATOR

- WSP and ATR planning and submissions
- SETA compliance and deadline management
- Skills audits aligned to business needs

WSP, ATR & LEVY RECOVERY

- Strategic workplace training plans
- Accurate annual training evidence
- Eligible grant recovery support

B-BBEE & LEARNERSHIP SUPPORT

- Skills Development scorecard planning
- Learnership administration and reporting
- Verification-ready evidence files

EMPLOYMENT EQUITY CONSULTING

- Employment Equity Plans and committees
- Practical compliance gap assessments
- Inclusive workplace implementation support

WHAT EMPLOYERS GAIN

COMPLIANT SUBMISSIONS

Clearer SETA reporting and audit readiness.

LEVY VALUE

Support to pursue eligible mandatory and discretionary grants.

DEFENSIBLE EVIDENCE

Organised training records for verification and governance.

LESS ADMIN

External specialist support that reduces pressure on HR teams.

* Levy and grant outcomes depend on employer eligibility, SETA rules, compliant submissions and available funding windows.
