Course Fee	By written quotation

DELIVERY + ASSESSMENT

Entry Requirements

Communication and Mathematical Literacy at NQF Level 2, plus prior competence assisting to erect, use and dismantle access scaffolding at NQF Level 3. Certified ID and medical fitness are also required by the course page.

Delivery Method

Facilitator-led discussion, role play, case studies, videos, scaffold-drawing analysis and practical erection/dismantling exercises.

Training & Evaluation

Current course page states a 50% theoretical and 50% practical training approach.

Available Options

Public training in Cape Town and on-site employer group training by written quotation.

LEARNER OUTCOMES

- Interpret basic drawings and instructions for the erection of access scaffolding.
- Coordinate resources, PPE, tools and team deployment for scaffold erection work.
- Erect and use access scaffolding using safe sequencing, handling and stabilisation controls.
- Dismantle access scaffolding systematically while identifying and controlling hazards.
- Complete equipment stacking, housekeeping and site clearance after dismantling.

SUITABLE FOR

- Access scaffold team members
- Supervisors and team leaders
- Scaffold assistants progressing to erector roles
- Workers meeting the course prerequisites
- Construction contractors and site crews
- Employers needing group training
- Industrial maintenance / shutdown teams
- Access-scaffolding project crews
